

ELEMENTARY SCHOOL

A Catholic elementary school provides students in grades K-5 with a foundational education rooted in Catholic faith and values. It emphasizes the development of academic skills, moral character, and spiritual growth. The curriculum includes core subjects such as reading, writing, math, science, and social studies, alongside religious education that teaches Catholic beliefs and traditions. Students participate in daily prayer, regular Mass, and service activities, fostering a sense of community, compassion, and responsibility. The school environment is nurturing and supportive, helping young children grow in faith, knowledge, and virtue.
