

MIDDLE SCHOOL

We are an educational institution that provides students in grades 6-8 with a well-rounded education grounded in Catholic values and teachings. It emphasizes academic excellence, moral development, and spiritual growth. The curriculum typically includes a strong focus on religious education, alongside core subjects such as math, science, language arts, and social studies. Students are encouraged to develop a deep sense of faith, community, and service to others, preparing them to be responsible and compassionate members of society.
